**AllianceRx Walgreens Pharmacy Named for Third Consecutive Year in Forbes Ranking of America's Best Midsize Employers**

*Annual ranking is based entirely on employee satisfaction and willingness to recommend their employer to others.*

**ORLANDO, Fla., March 7, 2023** – [AllianceRx Walgreens Pharmacy](#), one of the largest specialty and home delivery pharmacies in the U.S., has been named in Forbes magazine's 2023 list of [America's Best Midsize Employers](#). This is the third consecutive year the specialty pharmacy has been honored alongside other top U.S. midsize companies to work for.

"We are thrilled to be recognized on the Forbes list of best midsize employers for the third year in a row," says [Joel Wright, RPh](#), chief executive officer. "To be included on this list again is a testament to our team members. They are passionate about providing the best possible care for our patients who live with chronic conditions and rare diseases."

Wright says competitive pay, outstanding benefits, a diverse work force, and an environment in which all team members are treated equitably are just some of the things they like about working at AllianceRx Walgreens Pharmacy. "Our team members appreciate the opportunity to contribute fully to our purpose of providing hope and care for better tomorrows," he says. "Our core values of trust, care, respect, and accountability not only demonstrate who we are, but what we do and how we do it. Our team members strive daily to bring these values to life in every interaction."

Forbes and Statista selected America's Best Employers 2023 through an independent survey applied to a vast sample of approximately 45,000 American employees working for companies with more than 1,000 employees in America. Across 25 industry sectors, 1000 employers have been awarded, 500 large employers and 500 midsize employers. The evaluation was based on direct and indirect recommendations from employees that were asked to rate their willingness to recommend their own employers to friends and family. Employee evaluations also included other employers in their respective industries that stood out either positively or negatively.

AllianceRx Walgreens Pharmacy is a wholly owned subsidiary of Walgreens Boots Alliance and employs more than 2,500 people across the country. Visit [jobs.alliancerxwp.com](https://jobs.alliancerxwp.com) to view open positions.
