National Association of Boards of Pharmacy (NABP) Awards Accreditation to AllianceRx Walgreens Pharmacy

Specialty and home delivery pharmacy holds several accreditations, including URAC and ACHC.

ORLANDO, Fla., August 25, 2022 – [AllianceRx Walgreens Pharmacy](#), one of the country’s largest specialty and home delivery pharmacies, has received specialty pharmacy accreditation from the National Association of Boards of Pharmacy ([NABP](#)). AllianceRx Walgreens Pharmacy holds several accreditations, including from [URAC](#) and Accreditation Commission for Health Care ([ACHC](#)), as well as NABP’s digital accreditation, demonstrating commitment to safe pharmacy practices over the internet.

“Earning NABP specialty pharmacy accreditation affirms the quality care we continually strive to provide our patients,” says [Tracey James, RPh](#), chief operating officer of AllianceRx Walgreens Pharmacy. “By achieving various accreditations, AllianceRx Walgreens Pharmacy has shown a comprehensive commitment to quality care, improved processes and better patient outcomes.”

NABP’s specialty pharmacy accreditation signifies to patients, payers and providers that the pharmacy organization is recognized for providing an advanced level of pharmacy services and disease management for patients taking medications that require special handling, storage and distribution requirements. Specialty pharmacies like AllianceRx Walgreens Pharmacy coordinate patient education, promote adherence and ensure appropriate medication use. This voluntary accreditation process required AllianceRx Walgreens Pharmacy to demonstrate compliance to a comprehensive set of practice standards and evaluated the pharmacy on patient management, quality management and regulatory compliance.

“NABP congratulates AllianceRx Walgreens Pharmacy on achieving this important recognition,” says NABP Executive Director/Secretary Lemrey “Al” Carter, PharmD, MS, RPh. “By earning specialty pharmacy accreditation, they demonstrate their commitment to quality health care and patient safety that improve overall health outcomes.”

The NABP specialty accreditation is effective through August 16, 2025.
